

Calgary Midwifery Practice requires a Registered Midwife to begin September 2010

Join us in providing compassionate and evidence-based care and in a supportive and friendly environment. Aurora Midwifery is a Calgary-based practice with beautiful clinic space in South Calgary. We are looking for a midwife to join a team with two part time midwives and compliment our other team of two full time midwives.

Alberta has recently funded midwifery, which has created an incredible demand for midwifery care and long waiting lists. Our practice has an out-of-hospital birth rate of more than 50% (both at home and at the Arbour Birth Center) and privileges at all three city hospitals, as well as options for two rural hospitals.

Ensuring a healthy work-life balance is important to us. This midwifery team will be caring for 8-9 clients a month between 3 midwives. The flexible on-call schedule, days off, and holidays will be decided upon by the team members.

The interested applicants should

- Be eligible for full registration with the Alberta Midwifery Health Disciplines Committee and have current CPR, NRP, and Emergency Skills
- At least one year of midwifery experience (though new registrants may feel free to apply)
- Have excellent communication skills, work well in within a small team, and contribute positively to the practice
- Be flexible and reliable with on-call rotation
- Hold a full drivers license and have access to a vehicle.

Calgary is approximately one hour from Banff National Park, Kananaskis Provincial Park, Dinosaur Provincial Park, as well as numerous ski hills and cross country trails.

Interested applicants may email Kimberley Schmidt kimberley@auroramidwifery.ca or fax a resume and cover letter to 1-888-697-0574 by 31 July 2010.

If you have any further questions, please do not hesitate to contact us at 403-203-5105
