UNGAVA TULATTAVIK HEALTH CENTER
CENTRE DE SANTÉ TULATTAVIK DE L'UNGAVA

JOB POSTING
(1000-289)

The Ungava Tulattavik Health Centre serves the seven communities on the Ungava Bay coast. To respond to the urgent needs in perinatality among the region's clientele, the Ungava Tulattavik Health Centre would like to establish a team of midwives by filling two full-time permanent positions.

JOB TITLE: **Mid-wife**
STATUS: **2 permanent full-time positions (36h25 / week)**
STARTING DATE: **As soon as possible**

FUNCTIONS:
Assumes follow-up on pregnancy, deliveries and immediate post-partum cares of mother and child as well as the postnatal follow up until 6 weeks.

REQUIREMENTS:
Must have a professional mid-wife practice authorization from Province of Quebec;
Must be register at "l'Ordre des sages-femmes du Québec" before the beginning of the employment;
Working experience with selected type of client;
Update certification in advance neonatal reanimation;
Update Certification in obstetrical emergencies;
Fluent in English and French (spoken and written);
Ability for team work;
Excellent communication skills;
Available and flexible;

SALARY: Min: $914.59 Max: $1549.69 / week
ISOLATION PREMIUM: $7 331. or $11 727. / Year, as per the family status
Salary and premium rates will be adjusted retroactively to April 1st 2010 when the new collective agreement comes in force. Moreover, the overall working conditions applicable to mid-wives, in the Nunavik region, are currently being revised. The granting of installation and retention premiums are being considered.

Any employee recruited in Quebec more than 50 kilometers from the locality in which she/he is called upon to perform her/his duties, will be granted annual trips and lodging unit as per her/his status, transit or shared lodging if necessary.
